

Which plastic is accepted in the recycling bin?

Check in the below table to see which plastic is recyclable and can be put in the City of Houston curbside recycling bin.

	<p>Clear plastic bottles and containers: water, soft drink, juice mouthwash, salad dressing bottles, peanut butter/ jam jars, oven-ready and microwaveable meal trays, detergent and cleaner containers.</p>
	<p>Opaque milk and water bottles, juice containers, bleach, detergent and shampoo bottles, yogurt and margarine tubs.</p>
	<p>Clear food containers (e.g., take-out) and non-food packaging (e.g., squeeze bottles, shampoo bottles, mouthwash bottles).</p>
	<p>Squeezable bottles (honey, mustard), food storage containers, container lids.</p>
	<p>Food containers (ketchup, yogurt, cottage cheese, margarine, syrup), take-out containers, bottle caps, and other opaque plastic containers, including baby bottles.</p>
	<p>Baby bottles, sippy cups, water bottles, three and five gallon large water storage containers, juice and ketchup containers</p>

 Always **EMPTY, CLEAN** and **DRY**
